PROGRAM INFORMATION

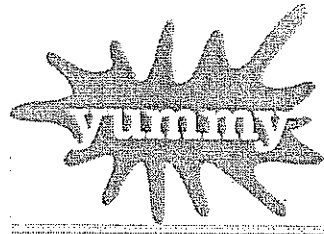

ALLERGY INFORMATION: Yummy In My Tummy makes every attempt to provide descriptions for our Yummy dishes to enable students with dietary restrictions or allergies to make the best choices for them. Every effort is made to instruct our food production staff on the severity of food allergies, however, there is always a risk of contamination. There is also a possibility that manufacturers of the commercial foods we use could change the formulation at any time, without notice. Customers concerned with food allergies need to be aware of this risk and, if there is a severe allergy, the best option is always to pack a lunch from home.

Yummy In My Tummy will not assume any liability for adverse reactions to foods consumed, or items one may come in contact with while eating at any schools. Yummy In My Tummy also does not handle disseminating lunches to students, so your child's school must also be aware of any dietary restrictions or allergies. Parents of children with food allergies or dietary restrictions are encouraged to contact Yummy In My Tummy (954-358-2414) for additional information and/or support. Also, Yummy In My Tummy is a nut-free facility.
